

# Kapalai Island – Sipadan-Kapalai Dive Resort 2016

## Highlights Introduction

Sipadan is located in the East West of Malaysia, from Semporna Port 36 kilometers the North West of Celebes Sea, the Malaysian government propaganda here is "the world's premier diving paradise. The hotel at Sipadan Island no more than 20 meters from the beach, and after 5 meters in the shallows is 600 to 700 meters deep in the deep blue sea. Unique condition in 1993 after the diving magazine influence, they agreed that the world most of the waterfront dive is Sipadan, and also the world top five cliff diving. Moderate water temperature, water flow, water visibility is also an upper, more convenient time of no more than 10 minutes to reach the dive site. Less than 15 minutes from Sipadan boat ride, Marble and cabaret island, they most famous of the rich seabed ecosystems.

## Kapalai Island KAPALAI

Kapalai Island is located between of Sipadan and Mabul in Sabah. The ocean floor can be called like "diffuse latent" (Muck Diving) paradise. You can inadvertently discover the Yuanyang fish rare undersea creatures: cuttlefish, blue-ringed octopus, sea moths and mating. Kapalai Island sea water is crystal clear, and truly is a floating water paradise. From Semporna to Kapalai about forty-five minutes boat ride, one of the world famous diving paradise. However, the unique of Kapalai is not completely an island because its forty bungalows, stilts built in the sea (house piles feet standing in the sea) buildings. The visitors connected bungalows are like the drift in the sea, sturdy wooden plank road walking stroll at the foot can watch marine life swim in the shuttle. Southeast Asia and East Asia as a whole the best diving in Sabah, Sabah best diving in Sipadan, the Sipadan best diving in Kapalai Island and compared to Europe, the United States and other tourist destinations in Southeast underwater coral fish, tropical rainforests and endangered animals are slowly disappearing.
